NORTH YARMOUTH ACADEMY

NORTH YARMOUTH ACADEMY YARMOUTH, MAINE YEARBOOK 1980-1981

MR. ALBERT SMITH

Headmaster
North Yarmouth Academy
1980-81

To the Class of 1981:

Upon looking again at the salutation above, it seems to me too impersonal a way of addressing you all and so foreign to the style that we have adopted here at the Academy during our years together. So, let me start again and address you instead as: Amy, Biff, Craig, Dan David, Denis, Ernie, Fulton, Greg, Heather, Jay, Jessica, Jody, Jon, Leyan, Lynn, Maria, Melanie, Phebe, Sharon, Steve, Ted, Tom.

My Purpose in this message, however, is not to quibble over how I should greet you but rather to make a few remarks about your lives and your accomplishments since you enrolled at the Academy. And I am addressing all of you, whether you, Jay, who has been at NYA for one year only, or you, Phebe, who has been with us for five.

Ours is a small school-small enough so that people-individuals-make the difference, not institutional policy. I sincerely hope that the accomplishments you will carry away with you will not be academic only, but that each of you has discovered the challenge and responsibility of leadership-both as individuals and as a class. I refer to leadership of all kinds: team captain, class officer, committee member, study hall assistant-all of the areas in which your class has led the Academy through a successful and productive year.

I have valued your strengths and your unique abilities to lead and to contribute. Much more importantly, however, I have sincerely appreciated your constant willingness to try. The degree of your success in each case is relatively unimportant; it is the act of making an honest effort when called upon to do so that is vital and that has identified each of you and your class.

In terms of the whole span of human life, the years spent at any single school are relatively brief, but, as you and I reach the end of our tenure at the Academy this June of 1981. I sincerely hope that we can share a sense of pride in, and of accomplishment at, a school which we all respect for the part that it has played in each of our lives-a school in which everyone learns and at which everyone teaches.

I am confident that you join with me in wishing your successor and mine- the class of 1982 and Mr. Sam Robinson- every success as they continue to write the long history of North Yarmouth Academy.

DEDICATION

Peter C. Naiden

For the first time in many year, the North Yarmouth Academy yearbook is not dedicated to a member of the faculty who is leaving. This year, it is dedicated to a man whom the members of the school community hoped will stay for many years to come. It is appropriate that this yearbook is dedicated to this man because June 1981 marks the close of his 10th year at the Academy. The North Yarmouth Academy yearbook is dedicated to Peter C. Naiden.

Mr. Naiden, alias "P. C. Perfect", is exacting from both his students and himself; he has always expected his students to put as much into their work as he puts into his own. He uses many texts as references to comply his daily lessons which he updates and changes each year.

Not only has Mr. Naiden taught Earth Science, Oceanography, Physics, and Technical Drawing (which are notoriously the hardest, and some of the best courses at the Academy), but he has also coached Varsity Lacrosse and has won several titles in this sport. He has also assisted in the hockey program and was coach of Varsity Hockey for several years. The seniors are especially indebted to Mr. Naiden for the work he puts into the Senior Project Program.

Peter Naiden is a tremendous asset to the Academy as a teacher, coach, and advisor. He has prepared his students and players for college by constantly pushing them to excel to their abosolute potential. For everything you have done Mr. Naiden, we thank you.

LYNNE KAULBACK

"There's a lady who's sure all that glitters is gold. And she' buy-a stairway to heaven. And when she gets there she knows if the stores are all closed. With a word she can get what she came for. There's a sign on the wall-but she wants to be sure. Cause you know sometimes words have to meanings. In a tree by a brook there's a songbird who sings sometimes-All of our thoughts are misgiven. There's a feeling I get when I look to the west. And my spirit is crying for leaving. In my thoughts I have seen rings of smoke through the trees. And the voices of those who stand looking. And it's whispered that soon if we all call the tune. Then the piper will lead us to reason-And a new day will dawn for those who stand looking. And the forests will echo with laughter.
And it makes me wonder. If there's a bustle in your hedgerow. Don't be alarmed now. If it's just a spring clean for the May-*Queen. Yes there are two paths you can go by. But in the long run. There's still time to change the road you're on. Your head is humming and it's won't go-In case you don't know . . the piper is calling you to join him. And did you know. Your staircase lies on the whispering wind. And as we wind on down the road. Our shadows taller than our soul. There walks a lady we all know. Who shines white light and want to show. How everything still turns to gold. And if you listen very hard, The tune will come to you at last. When all are one and one is all. To be a rock and not to roll."

CROSS COUNTRY

The varsity Cross Country team's record for the 1980 season was an impressive 13-2 record. The year began with junior Kitt Scarponi leading the runners and holding the number one position. Unfortunately, half way through the season, injury ended Scarponi's running. Jeff Peacock a first year junior runner, took over the number one spot for the remainder of the season. The team did well finishing second at the MAISAD competition, the best in standing since NYA had P.Gs. Jeff Peacock added an outstanding finish by completing the race in sixth place overall and in first place for NYA runners. For a beginning runner he was impressive!

At this state meet, and throughout the year, NYA's team lost only to Hyde, a P.G. school. Besides Kitt Scarponi and Jeff Peacock the team included Wells Hansen, Halsey Hewson, P.Y. Hildreth, Rob Goodbody, Fulton Oakes and Chris Zitnay. Zitnay, Hildreth, and Hewson ran consistently well and usually placed in the top five; Oakes, Goodbody, and Hansen added needed depth. With only one member of the varsity team leaving, next year Coach Hudson and NYA hope to see another quality team.

J.V. AND MIDDLE SCHOOL

The J.V. Cross Country consisted of three sophomores, six freshmen, and four Middle Schoolers, a relatively young and inexperienced team, who chalked up three wins and no losses. Leading the pack were freshman Chris McDermett and seventh grader Scott Mahar, both first year but excellent runners. At the end of the season J.V. MAISAD competition, four NYA runners finished in the top ten: McDermett, Mahar, sophomore Sean Sutherland, and freshman Frank Crooker, all rookie runners. Joining late in the year without previous experience, Sutherland proved to be an excellent asset to the team. Highlights of the season were the flawless record, the easy wins over Hyde and Hebron, and Julie Fitzgerald's accomplishment at the Maine State AAU. Fitzgerald finished well and was the only member of the team to advance to the Eastern Regional AAU. With the top four J.V. runners returning next year plus the others who contributed to the winning scores, NYA hopes to have an excellent J.V. team for 1981-82.

1st row L-R: A. Grant, S. Mahar, J. Fitzgerald, A. Palmer, D. Detrich, B. Lane. 2nd row L-R: L. Bradbury, B. Austin, C. McDermett, J. Cameron, T. Darby, F. Crooker, Mr. Flaherty.

For the first time, NYA had a Middle School Cross Country team. Six runners, which included Scott Mahar, Bowdie Austin, Lee Bradbury, Allyson Palmer, Shep Husted, and Karen Link, pulled in a record of one win and two losses. Injury plagued Husted and Link, and they often could not compete. Trophy winner Scott Mahar proved to be the highlighter of the season when he finished seventh in the Cheverus One Mile Seventh Grade Invitationals. Bowdie Austin and Allyson Palmer also ran in this race. All of these runners hope to return and produce a fine team for next year.

This year, the varsity soccer team kept the standard tradition of a winning season. The team compiled a 7-6-2 record while making the playoffs for the fourth year in a row. It also reached the semi-finals for the third year. The team had to overcome injuries to key players such as senior co-captain Dan Mooers sophomore goalie Kevin Wilcock, and freshman half-back Keith Russell. The strongest part of the team was the defense. The defensive squad was led by co-captain Greg Lovejoy, Dan Mooers, Steve Whittier, Dave Fenderson, Ted Williams, and goalies Kevin Wilcock and Jay Bondurant. This year's team had a young offensive punch. The offense was led by junior co-captain Bill Alie and sophomore Ryan Munro. Next year should be just as good.

The 1980 junior varsity soccer team, led by co-captains Fran Norris and Scott Holdsworth and high scorers Lennie Cummings and Meyric Mathews, played to a 2-6-1 season. Showing great hustle and desire in the first two games against Waynflete and Kent's Hill the team scored five goals and allowed none. These wins were followed by several loses during which the NYA team outplayed and outskilled the opponents but still came out on the losing end. Two of the loses came in overtime. The season could best be described as disappointing but enjoyable for the coach and players.

The Middle School "A" and "B" team had productive seasons. The "A" team had four straight shutouts and an overall 6-3-1 season. The highlight of the year was the fact that NYA outscored the opponants 27-6 overall. Team leaders were co-captains Jeff Morton and Eric Weinrich goalie Joey Thornley and scorers Scott Fossum and Bill Sargent. The coach was Mr. Rouse.

The "B" team under the coaching of Mr. Anderson also did well even though the team won two games. Team leaders were Phil Adams, Drew O'Brien, Andy Vanvakias, Glenn Jamison and Josh "nothin" Wolfe in goal.

Well, we lost a few things this year; our coach, our field, a few games, 6 seniors, and the poem that was supposed to go here; but we won more than that. For the first time, NYA field hockey has completed its season with a more wins than losses record. Also, we beat Waynflete in both games-a first for NYA field hockey.

Because of a week at field hockey camp, the team was in much better shape than in past years. Seniors Lynne Kaulback and Phebe Royer were our captains who led us victoriously. The powerful forward line consisted of Ley-An (bug) Martin, a come back player who had valuable skill, Lynne Kaulback, a strong member, Elizabeth Chapman, highest scorer, Sharon St. Lawrence, a high scorer, and other wing players: Laurie Male, Nicky Morris, Lisa St. Lawrence, and Ellen Aldred.

Our strong point, defense, led by fullbacks Jane Hamilton, and Maria Gove, halfbacks Jill Shea, Phebe Royer, Amy Richardson, and Keri Grimes, managed to hold the team together giving strong support to the rookie goalie K.T. Gove who will return next year as captain.

The N.Y.A. Varsity Hockey Team this year was a young and rebuilding one with only 5 returning players. The team's league record was 6 wins and 11 loses, but with four one-goal loses, which, if won would have made the difference in NYA's playoff chances. The team's top three scorers, Paul Belliveau, Bill Alie, and Greg Lovejoy made up the first and most effective line. Because the team is only losing four seniors, Dan Mooers, Jay Bonurant, Greg Lovejoy, and David Fenderson, it has a great chance of making next years playoffs. Coaches Grant Munro and Charlie Hudson did a good job in taking a young team as far as it went.

One of this seasons highlights was the Waterville game at NYA. With Waterville leading 6-5, Dan Mooers scored with only one second left to tie the game. Unfortunately Waterville won it in overtime. Another highlight was the 4-2 victory over Biddeford at the Civic Center after our decisive loss at their rink earlier in the season. Bill Alie sent Fran Norris in on a shot-handed breakaway for the clinching goal.

The overall record for the 1981 junior varsity hockey team was 3-11-4. The John W. Wilbur tournament in Biddeford saw the team finish with a 0-1-3 record, the only loss coming to the eventual tourney winner. Mr. Coxe was especially pleased with goalie Brad McCann's play. Under the coaching of Mr. Geilfuss, the team made great improvements in team play and spirit. McCann improved a great deal and good play was shown by others including seniors Tom Gross and Dennis Hudson, junior Mark Kemper, and freshmen Tom Dubail, Brent McLeod, Tom Henriques and Dan Moulton. Highlights of the season included victories over Edward Little and Mt. Arrat and a tie with powerful Waterville. Had the varsity not had so many injuries that caused the J.V. to lose key players the season would have been much better.

BASKETBALL

The 1980-81 Varsity Basketball season seemed to be one of extremes. The team was made up primarily of seniors (4 plus a junior in his last year of eligibility) and 5 freshmen. Rounding out the team was one junior and one sophomore. Our games too were often examples of extremes. We opened the season against one of the weakest teams we would face, winning by a collossal score of 48-15. The very next game was against the two time state champions, Buckfield, and they showed us why they were the champs-to the tune of 64-24. Many of our wins and losses were by similarly lopsided scores.

Some bright spots in our 5-11 season were: a buzzer beating 30 foot prayer sunk by Ted Williams to send a game into overtime, 20 pt. preformances by Lenny Cummings and Steve Whittier, and John Soules consistent effort and strong rebounding. All in all, Coach Briggs looks forward to the development of his returning players and the basketball program in general.

The 1980-81 girls Varsity Basketball Team had a fine season with 8 wins and 8 losses, with a fourth seat to the S.P.A. post-season tournament. Although they lost the first play-off game, the girls generated enough excitement in the N.Y.A. community to fill the gymnasium for the first time in many years.

The season was highlighted with a super win over Hebron at home, which cemented their position in the playoffs and was a demonstration of the girls at their best. Throughout the year, forward Amy Richardson, a 3-year starter, controlled the boards more often than not, and the fine shooting of Sharon St. Lawrence, the play-making of guard Ley-An Martin, and the defensive prowess of Captain Lynne Kaulback, all backed up by the spirit of Maria Gove was vital. These seniors will be sorely missed next year. Underclassmen who also contributed a great deal were Katie Sheehan, Jane Hamilton, Charlotte Smith, and Tracy Leeber.

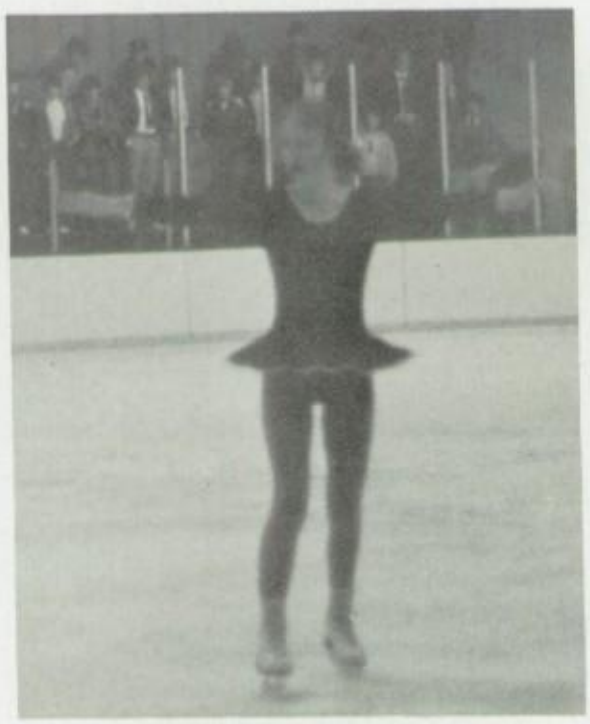
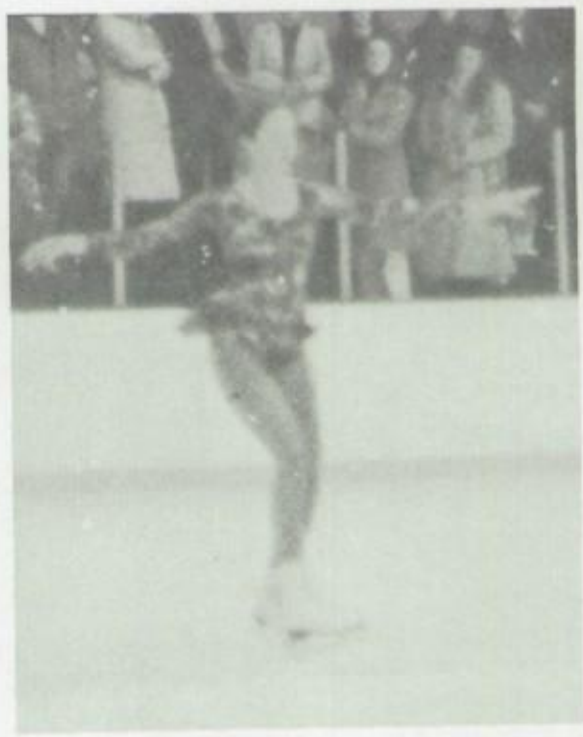
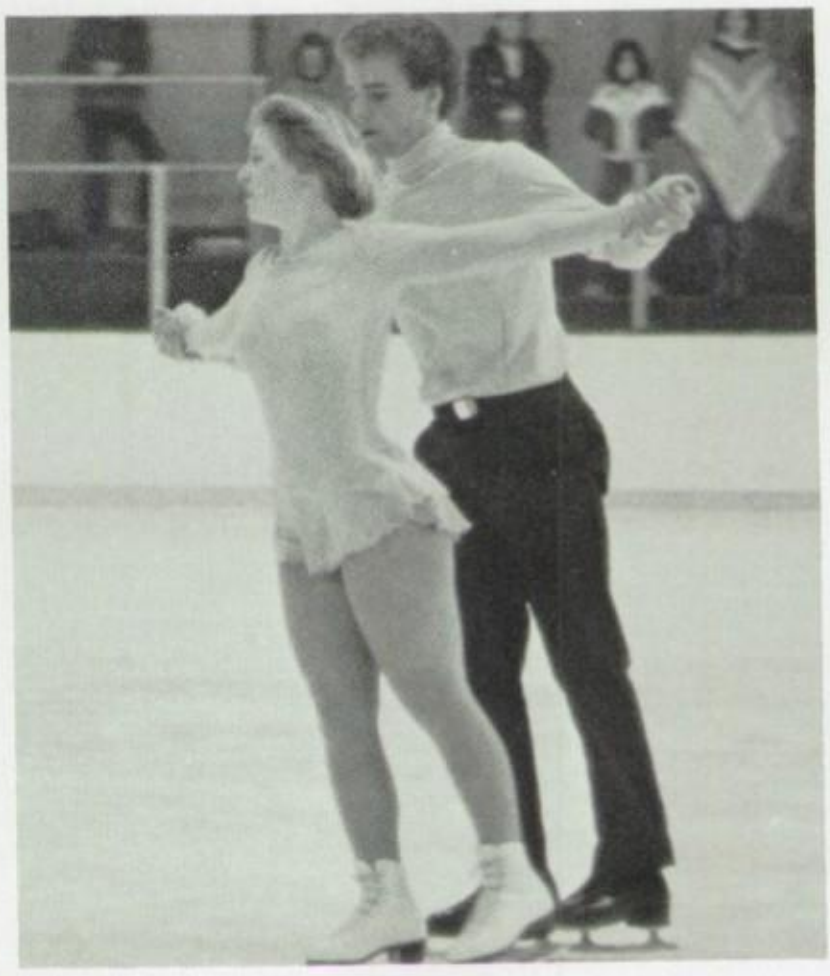
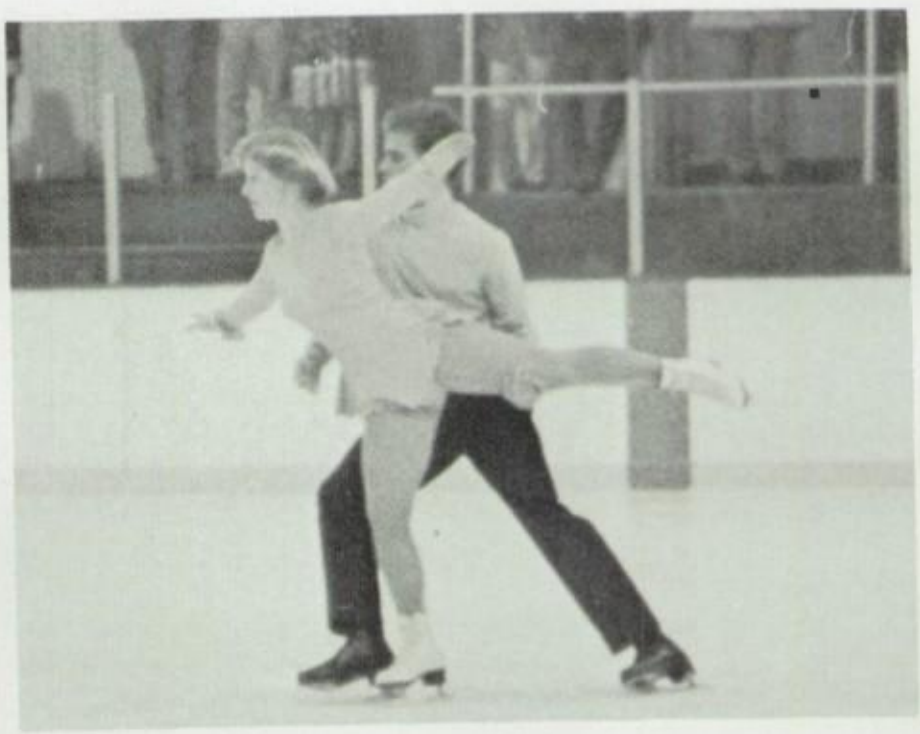
FIGURE SKATING





The figure skaters at North Yarmouth Academy are truly a devoted group of students. Getting up bright and early on Monday, Wednesday, and Friday morning to be on the ice at 7:25 is a commitment they were all willing to meet. The big event of their season was the First Annual Ice Skating Assembly, which took place on March 17, 1981. Nicky Morris, Jessica Church, Elizabeth Chapman, Lori Austin, Allyson Palmer, and Kristen Andrews all performed solo numbers. Gib Palmer and Elizabeth Chapman had been working together as a couple for the better part of the season and performed a pair program. Later in the year, Gib and Elizabeth performed in the Rainbow Review-an ice show held at the Cumberland County Civic Center. The Assembly was very well done and received a nice hand from the students and faculty. Although they had no record to speak of, the skaters' effort and personal drive made them all champions.





DANCE

At the commencement of the winter athletic season, the dance club had 13 members. After being evicted from Safford Center, our enrollment lowered to 8 hearty souls. The gymnasium stage proved to be a challenge beyond compare. We thank Lenny Cummings and Steve Whittier for their basketball/dance performances during b'ball practice. The loud screaming from the players and the pounding of the basketballs in the gymnasium added an 'odd' touch to our ballet dances.

Though it was a difficult season, the NYA dance performance, on Tuesday, March 10th, held their first performance. Five dance pieces were performed which included; a ballet number, two modern numbers, an Afro-American piece, and a jazz finale. The 1980-1981 members are: Jessica Church, Lynn Hallee, Kristina Andrew, Allyson Palmer, Kim Luce, Janine Hansen, Virgina Campbell, and Sharah VanVlack.

Under the leadership of Dan Mooers' pitching, the varsity baseball squad had a very respectable year. After two losses, one to Bridgton, and other to St. Dom's, the team finally put their whole game together to finish the season with a 6-5 overall record. The team's slow start was due to lack of hitting and lack of practice time, but, when the bats of Jay Bondurant and Fran Norris got hot the whole hitting game got warmed up. Bill Alie helped at third and Ted Williams, Ernie O'Connor, Steve Whittier added good gloves to the NYA outfield. Next year's team should be an improvement: many players will be returning.

The 1981 Junior Varsity Baseball team was a young, talent-laden squad which showed fine hustle and determination. The club showed a successful 2-2 record on the season.

The highlight of the season was a solid 8-2 shell-shaking of Hebron. Excellent pitching by Paul Beleveau and consistent play from the rest helped pull off the victory.

Positions on the team were as follows: Rob Tracy-3rd, Tom Henriques-ss, Bill Lane-2nd, John Fanning-1st, Rick Bellavance and Chris Beck-pitchers and catchers, Frank Crooker-l.field, Kevin Fitzgerald-c. field, and Mark Kemper-r. field. Other contributors to the team were Dan Moulton, Dan Johnson, Wes Fox, Bruce Hardy, Duane Darby, Tom Dubail, and Terry Hansen.

Middle School baseball was a talented, tough, midly successful team. The record was 1-3: Not much consistency can be attained with a four game schedule. The season's lone victory came against Yarmouth, 8-1.

The team had a group of tough personalities and quality athletes: the future of NYA baseball looks bright. Players worthy of mention are Chris King, a gutsy second sacker; John Wood, a hardhitting first baseman; Joey Thornley, a super team player; Joe Willihnganz, an accomplished pitcher with an easy motion; Josh Wolfe, ballhawk non-pariel; and Eric Weinrich, who performed well in both battery spots.

This year's Varsity Tennis Team had a difficult time keeping a steady ladder and having a uniform team. Even with this problem the team was successful in many of their matches. Our captain "Bert McNally", was a disadvantage for he was not eligible for many of our matches. Number one singles player Jon Soule "Squirrel," injured himself which caused the team to make adjustments until he was totally recovered. The main strengths of the team in the were Kevin Wilcock, Mark Sardegna, and Chris Chabot. They were often looked upon for the deciding the match. Our doubles' team were the strongest asset to the team. Due to their everlasting success of Chris Foster and Tom Gross, and Mike "McGoo" McHugh and Keith Russell, many of the matches were 2-3 decisions. Next year's team will have many spots to fill as we lose seniors McNally, Soule and Gross; but with the returning players next year's squad will have a solid base.

The 1981 season can be considered a building year for the Varsity Lacrosse team. From the beginning Mr. Naiden, the coach, faced the tough job of not only having to teach the players the more complicated aspects of the game, but also the basics of throwing and catching. The team showed great improvement throughout the year, with Ryan Munro chosen as the most improved player. Being his first year on the lacrosse team, he showed creditable achievement by earning a position on the first line by the close of the season.

The season began with a 5-4 victory over the Hyde J.V.'s. The following 7 games were losses, all by very close margins. The most exciting game was the final game of the season in which Waynflete scored in the closing seconds to win the game 5-4.

The 1981 team was led defensively by Chris Zitnay on goal and by David Fenderson (who was chosen to participate in the All-Star game), a senior at crease defense. Midfield standouts were Co-Captain Meyric Mathews, Guy Morton, and Peter Waning. On the attack, Co-Captain Gib Palmer, was the highscorer, and also played in the All-Star game.

The team looks eagerly forward to next year's season; with almost all players returning, they hope to do well.

Under the leadership of captains John Wiswell and Bob VanVlack, the junior varsity lacrosse team showed continual progress during the 1981 season, despite a 1-4 record. Mr. Geilfuss' team began with an 11-1 loss to Kent's Hill then beat Wayneflete 4-3 in a come from behind win. Two losses to Hyde's J.V. B team and a close loss to Wayneflete followed. Many players showed personal improvement: Jim Lapointe, Jim Cameron, Brad Wall, Halsey Hewson, Steve Anderson, Julie Fitzgerald, Matt Touhey, Kevin Dalton, and VanVlack at midfield; Brad McCann, Chris McDermott and Wiswell at attack; and John Look, John Kelley, Bob Maqueston and Don Sharaf on defense. Eighth grade goalie Eliot Fairley also did well.

The Middle School lacrosse team had a fine season and finished with a 4-1 record. All four wins came against Wayneflete; the game scores were 20-2, 8-3, 20-5, and 8-1. The loss came at the hands of Shore Country Day School. The leading scorers were Jeff Morton, Sean Carroll, and Murray Sparks; even goalie Eliot Fairley got a goal. Coach John, J.B., Bryan finished up the year with an excellent description of each player.

The Varsity Softball Team fell to a record of 3 - 9. Many of the players gave their time individually. The team had potential with its share of upper classwomen. The four seniors: Sharon St. Lawrence, Ley-An Martin, Maria Gove, and Lynne Kaulback all gave their dedicated souls to the team, whether it was at a late practice or at a losing ball game: they were always positive and willing to work. No one escaped the thoughts of spring fever, a good time, senioritis, or the end of the school year. The weather was beautiful and it was often hard to concentrate - even for the coaches Curtis and Martin. The good spirit and positive attitudes kept the team on the move. Highlights included wins over Fryburg, in the 2nd game of a doubleheader; Hebron; and Kents Hill. The tri-captains were Maria Gove, Jane Hamilton, and Junior Katie Sheehan. Even though the record was not great we won in spirit, attitudes, and fun.

MIDDLE SCHOOL

1981 was the first year NYA ever had a middle school team. The team didn't have what you would call a winning season- we were 0 and 4 — but even when we were losing we were in high spirits. The team always went out to practice with a positive attitude, which was nice. I'd say the highlight of the season was when we played Gray-New Gloucestor, the best team in the league, and were ahead for three innings. The team consisted of 6 seventh graders, and 5 eighth graders. I'm sure the eighth graders will be a great asset to the varsity team next year.

DRAMA

This year NYA students, faculty and parents were graced by two fine productions: Thornton Wilder's **Our Town** and Gilbert and Sullivan's **Trial by Jury.** Directed by Mr. Rouse and Jessica Chadbourn were such actors and actresses as Craig Johnson, Fulton Oakes, Ernie O'Connor, Jodie Hansen (and a good judge too) Phebe Royer, Chris Zitnay, Heather Oakes, Lisa Hodsdon, Katie Gove, and Mr. Shepley. The dramatists were especially proud to perform the first musical, **Trial by Jury,** for NYA in recent memory.

Jotul.
Energy-efficient, UL-LISTED beautiful alternatives to the high cost of winter.

When it comes to beating the high cost of winter, nobody has better answers than Jotul. This year the most famous stove line in the country brings you more models, in enameled colors and more styles and sizes than ever before. And the most advanced air-tight burning technology as well.

We've had well over a century to perfect our craft, and even though we're bringing you more answers to the high cost of winter than ever before, we're still making just one kind of stove. The best money can buy.

So whether you prefer a red Jotul to a black Jotul. Or a big Jotul to a little Jotul. Or a modern Jotul to a traditional Jotul. You can't make the wrong decision. All Jotuls will give you more heat from less fuel. And fuel is your biggest investment, year after year.

There's a Jotul that's just right for beating the high cost of winter in your home. Visit your Jotul dealer to find out about it soon. It's warm inside his shop.
